

DEMOLITION GRABS TG DG

Lots and lots of steel!

Intermercato's heavy-duty TG DG is an incredibly robust demolition grab, designed with numerous ribs and plenty of steel. This, combined with the grab's thoroughly tested geometry and powerful cylinder, makes it virtually indestructible.

- Entirely made of Hardox®
- Highly torsionally rigid thanks to its numerous ribs
- Reversible cutting edges
- Check valve as standard
- BWG bushings made from a special alloy for extra-long service life
